Subject Index

The following index is a guide to the major subjects of this collection. The first Arabic number refers to the reel, and the Arabic number after the colon refers to the frame number at which a particular subject begins. Hence 3: 0934 directs the researcher to the subject which begins at Frame 0934 of Reel 3. By referring to the Reel Index which comprises the initial section of this guide, the researcher can find the main entry for this subject.
