LIST OF U.S. CONSULAR OFFICERS
1789-1939

On the 21 rolls of this microfilm publication are reproduced the State Department's lists of U.S. consular officers, by post, 1789-1939. Occasionally, a date of death, retirement, termination of service, or transfer to another post is given. The lists are arranged alphabetically by post, then by the class of officer, and finally by date of appointment.
